### Racer Withdrawal And Refund Policy:

A paid racer having to withdraw from the team will receive a refund according to the following schedule:

full refund upon withdrawal by May 1;

50% refund upon withdrawal between May 2 - May 31;

25% refund upon withdrawal between June 1 - June 30;

no refund after June .

NOTE: Consideration will be on a first-come, first-served basis; the first 12 men and 12 women to register AND submit their entry fee will be on the team. Racing fee must be received within seven business days after submission of this registration in order to secure a place on the team roster. If the fee is not received within the specified period, the registrant will be placed on the waiting list until the fee is received (at which time, the registrant will fill the next available roster position), or until such time as all the race places are filled. Racers who fully register after the team roster has been filled will be placed on a waiting list and will be in line to compete in case any of the other racers

(same gender) cannot participate. Fees submitted by racers not able to participate because of a full roster will be returned to the senders.

When the team is formed, the Community Pickup Team Coordinator will choose an interim captain, and will send all the team contact info to that person, with a CC to the rest of the team. At that point, it will be YOUR team. It will be the interim captain's responsibility to convene the team to choose their own captain and co-captain. ID's of the team leaders must be relayed to the Dragon Boat Race Coordinator ASAP. From then on, it is the captain's responsibility to convey any subsequent info from the Race Coordinator to the team.

### **Policy on Abbreviated or Canceled Races**

The CDBF and the Race Committee shall strive to provide a complete race event, culminating with awards and recognition of teams which have demonstrated their team work and accomplishments by finishing ahead of their competitors. Situations may occur wherein the race event cannot be completed in spite of the best efforts of CDBF staff, the Race Committee, and Safety Personnel. If conditions exist where, in the judgment of the Race Committee and/or Safety Personnel, the race event cannot be held or continued, and the races have not progressed to the point where teams can clearly be identified as winners in their respective brackets, medals and trophies will not be awarded, and teams or sponsoring organizations are not entitled to refund of race entry fees.

If you know other adults who are or might be interested in racing this year, please forward this information to them.
